### Huge Donation

We have recently received a large donation from a home repair retailer that has closed shop. These are new items in the box. Some of the items include granite vanity tops w/ sinks, vanities, light fixtures (interior and exterior), plumbing fixtures (kitchen and bath), ornate tiles, blinds, submersible pumps.

The list keeps going. Come and shop our stores over the next few months and take advantage of the low prices on the new goods.

This donation could not have happened without our builders Mike Moranha and Rainham Rowe who had help from some Red Hats and the HR Assoc. of Legal Administrators who used their Team Build to help. Thank you all for taking time off the build site to help secure this large donation.

## Fond Farewell

Emily Sanchez, our Director of Family Services, recently moved to California. Emily will be greatly missed, as she was a significant part of the Habitat team for over four years. We wish her the very best.

Ayesha Wiggins has assumed the role of Director of Family Services. Join us in welcoming Ayesha in this role.

We love our Navy commands who come out on site to help build.
